

PECB Certified ISO 22316 Foundation

Become acquainted with the best practices of Organizational Resilience based on ISO 22316

Why should you attend?

ISO 22316 Foundation training enables you to learn the basic elements to enhance organizational resilience and manage an organizational resilience strategy as specified in ISO 22316. During this training course, you will be able to understand different concepts of resilience which help an organization to cope with today's dynamic business environment.

After completing this course, you can sit for the exam and apply for the "PECB Certified ISO 22316 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, framework and management approach.
